WORLD COMMUNICATIONS DAY

Today is World Communication Day. This prayer is often shared at social media gatherings and it is a useful reminder of the importance of the Church putting out into the deep of the internet:

*Christ has no online presence but yours.
 No blog, no Facebook page but yours.
 Yours are the tweets through which love touches the world.
 Yours are the posts through which the gospel is shared.
 Yours are the updates through which hope is revealed.
 Christ has no online present but yours.
 No blog, no Facebook page but yours.*

SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPELS - MARK 16: 15-20

In the preceding verse Jesus had rebuked the apostles for their lack of faith. Despite this, he commissioned them to bring the good news to the whole world.
