TAKE STEPS TO BECOME MORE ACTIVE: Mayo Sports Partnership in association with Get Ireland Walking will be working with our local community to encourage and support people to become more active through walking with your family, friends and neighbours in your local area on a regular basis. The Get Ireland Walking Active Community Walking Programme will assist the local community to set up and sustain a local walking group that will provide a sociable and fun way for people to get out and get active. Walking is one of the easiest ways to get active and walking with others can add to the enjoyment and help to keep you going. Come along with a friend and give it a go on Thursday 14th June at 7.30pm at the Cill Aodain Court Hotel, Kiltimagh. We'll have a cuppa and chat after a short walk. Everyone welcome.

MUSINGS

Do not be afraid of holiness. It will take away none of your energy, vitality or joy. On the contrary, you will become what the Father had in mind when he created you, and you will be faithful to your deepest self. To depend on God sets us free from every form of enslavement and leads us to recognise our great dignity.

Do not be afraid to set your sights higher, to allow yourself to be loved and liberated by God.

Do not be afraid to let yourself be guided by the Holy Spirit. Holiness does not make you less human, since it is an encounter between your weakness and the power of God's grace. For in the words of Leon Bloy, 'when all is said and done, the only great tragedy in life is not to become a saint.'

Gaudete et Exsultate (Pope Francis)

SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPELS MARK 3:20-35

Looking on at what Jesus was doing, some of his family thought he was out of his mind. When you think of successful initiatives that you took in your life, were there times when people thought you were a little crazy? Perhaps some regarded your interest in faith, in church, in the same way? What sustained you in those circumstances? Successful ventures can arouse jealousy as well as admiration. Jesus was often the target of the jealousy of religious leaders. They questioned his motivation. When have you seen your good efforts, or the good efforts of others, spoiled by the jealousy or hostility of some? Did it help when there were people prepared to stand together in face of the criticism?

For many people their blood family provides an enduring, reliable and supportive network. Jesus had another family; those of one mind and heart with him in seeking to do God's will. When and where have you experienced encouragement from people of shared vision and faith?
